FOOD AND DRINK POLICY

Based on the changing state orders and university policies, food consumption will be allowed in campus buildings as it was pre-pandemic with the following modifications:

- Individuals who are not fully vaccinated must continue to physically distance (i.e., 6 feet of space)
- Individuals who are not fully vaccinated must continue to wear a mask when not eating or drinking
- Post signs indicating that masks must be worn and physical distancing requirements followed by individuals who are not fully vaccinated

We appreciate your feedback and support of these changes. As we move through this everchanging landscape, we will continue to update information and plans/procedures based on current information and policies.
