COVID-19 KNOW YOUR WORKPLACE RISK

- **Very High**
  - Healthcare workers and laboratory personnel who handle specimens or patients known or suspected of COVID-19 during aerosol-generating procedures (e.g., doctors, nurses, paramedics and lab techs)

- **High**
  - Healthcare workers and lab personnel who handle specimens or patients known or suspected of COVID-19 without aerosol generating procedures (e.g., ambulance drivers, hospital workers who enter patient rooms)

- **Medium**
  - Workers in frequent and/or close contact with people who may be infected with SARS-CoV-2 (e.g., public facing positions, in-person instruction)

- **Lower Risk (Caution)**
  - Workers without contact with suspect/confirmed COVID-19 patients nor frequent close contact with the general public (landscaping; office work)
